■ LISTENING COMPREHENSION IN THE TARGET LANGUAGE

Sample Test Directions for the Listening Comprehension in the Target Language Assignment

DIRECTIONS FOR SECTION TWO

LISTENING COMPREHENSION IN THE TARGET LANGUAGE

Section Two of this test consists of a listening comprehension exercise that involves listening to a brief passage in the target language on audiotape and then responding in writing to an assignment presented in your test booklet. The exercise will begin with directions that will be read aloud on the tape. They are also printed in your test booklet. Listen carefully to the tape and follow along in your test booklet. The passage will be read twice. Your response may be written in either the target language or English. Write your response on page 3 of the answer document under "Section Two." *Your score will be based solely on the response you write on page 3 of the answer document.*

Your response to the assignment will be evaluated on the basis of the following criteria. Please take the next 30 seconds to familiarize yourself with these criteria.

- **LISTENING COMPREHENSION:** accuracy and completeness in comprehending spoken language
- **LISTENING INFERENCE:** demonstrated ability to infer information accurately from spoken language, including subtleties such as tone

Turn the page and continue with Section Two.

Sample Listening Comprehension in the Target Language Assignment

SUBAREA III: LISTENING COMPREHENSION IN THE TARGET LANGUAGE

For this section of the test, you will listen twice to a taped sample of speech in the target language and respond in writing to an assignment presented in your test booklet. The taped speech may be an extended public announcement, an excerpt from a conversation, or some other example of speech encountered in a realistic context. The assignment will require you to do one or more of the following tasks:

- summarize an explicit message,
- draw one or more inferences (e.g., the relationship among the speakers in a dialogue, the setting in which a message is communicated), or
- recall one or more details.

An excellent response will demonstrate a thorough understanding of both stated and implied content, including, where appropriate, such subtleties as the tone used by one or more speakers. Because this exercise is designed to test your listening skills and not your writing ability, you may write your response in either the target language or English. You may wish to use the language that is more familiar to you.

(You will hear and read in the test booklet in English:)

4. **The following question is a listening comprehension exercise. You will hear in the target language a dialogue between a student and a teacher. After you have heard the dialogue twice, you will respond in writing to the assignment on page 3 of your answer document. It may be written in either the target language or English. Before you hear the dialogue, you will be given 30 seconds to study the assignment. Begin studying the assignment now.**

(You will read in the test booklet in Swedish:)

Skriv en mening i vilken du:

- sammanfattar elevens problem och händelserna som orsakade det,
- förklarar vad läraren rekommenderar bör göras åt det, samt
- beskriver vad du tror kommer att hända sedan.

(You will hear in English:)

Listen carefully to the following dialogue. After you have heard it twice, respond to the assignment in your answer document.

(You will hear in Swedish:)

ELEV: Jag behöver verkligen din hjälp. Jag missade ett stort SO-prov i måndags, och nu vill fröken Robinson ge mig icke godkänt i betyg.

LÄRARE: Varför missade du provet? Var du sjuk?

ELEV: Det är precis det som fröken Robinson frågade mig, och när jag sade att jag inte var sjuk så sade hon att jag måste acceptera icke godkänt betyg. Men hon gav mig inte tid att förklara mig.

LÄRARE: Vad är förklaringen?

ELEV: Min mamma föll och kunde inte röra sig. Jag var tvungen att ringa efter en ambulans och vänta på den. Det var helt oväntat. Det var inte min avsikt att missa provet. Jag var förberedd för det. Men fröken Robinson gav mig inte en chans att förklara.

LÄRARE: Jag är säker på att fröken Robinson kommer att vara mer hjälpsam när hon förstår situationen. Vill du att jag följer med dig så vi kan prata med henne? Du måste nog få en lapp hemifrån som beskriver det som skedde, och efter det är jag säker på att vi kan komma fram till en lösning när det gäller provet.

ELEV: Åh, tack så mycket. Det skulle vara jättebra!

SUBAREA IV: READING COMPREHENSION IN THE TARGET LANGUAGE

For this section of the test, you will read a brief passage in the target language and respond in writing to an assignment presented in the target language in your test booklet. The passage may be drawn from a newspaper story, a magazine article, a travel guidebook, a literary work, or some other text in the target language. An excellent response will demonstrate a thorough and accurate understanding of the elements of the passage that the assignment requires you to discuss. Because this exercise is designed to test your reading skills and not your writing ability, you may write your response in either the target language or English. You may wish to use the language that is more familiar to you.

(You will read in the test booklet in English:)

10. **Read the story below, written by a student for a writing assignment on the theme, "The Immigrant Experience"; then write your response on page 5 of the answer document in either the target language or English.**

(You will read in the test booklet in Swedish:)

En gång i tiden bestämde sig en fågel att flyga längre och högre än de andra fåglarna i flocken. Den svävade upp genom molnen och långt, långt ut över havet. Känslan av att flyga var underbar. Friheten var fantastisk. När vingarna till slut blev trötta, såg sig fågeln omkring och insåg att den var helt ensam och att inget land fanns i sikte.

Fågeln blev rädd och vände hemåt, men det tog inte lång tid förrän vingarna gav upp och fågeln landade på en bit tång som flöt på vågorna. Det var tillräckligt för att inte drunkna, och tången erbjöd lite mat och skydd, men fågeln insåg snart att den aldrig skulle kunna lämna tången eftersom den inte kunde få upp tillräckligt med fart för att lyfta. Fågeln suckade och gjorde det så bekvämt för sig som möjligt.

Efter ett tag lärde sig fågeln att fånga fisk och annan mat genom att doppa huvudet under vattnet. Den hittade dricksvatten genom att låta regnvatten samlas i håll som den grävde ut i tångbiten. Den tog skydd mot vinden genom att borra ner sig i tången.

Fågeln försökte göra det bästa av sin nya värld genom att observera dess sevärdheter och ljud, genom att försöka gissa vart strömmen skulle leda den varje dag, genom att söka i skyn efter andra fåglar, genom att pressa sig till att vara nyfiken på sin situation istället för ensam och rädd. Den lärde sig till och med att tala lite med fiskarna och de andra varelserna som bodde i eller på havet, när den kunde få dem att stanna upp och lyssna.

Fågeln ägnade mycket tid åt att se tillbaka över det stora havet mot sitt gamla hem. Livet var bra nog. Det fanns tillräckligt med mat. Det var säkert nog. Men fågeln var inte gjord för världen som den levde i.

DIRECTIONS FOR SECTION FIVE

WRITTEN EXPRESSION IN THE TARGET LANGUAGE

Section Five consists of a written expression assignment in the target language. The assignment appears on the following page. A list of suggestions is provided to help direct your response to the assignment. It is not necessary that you cover every point on the list, nor are you limited in your response to those points indicated. - **COMMUNICATION:** effectiveness of communication, including sociocultural appropriateness
- **COHERENCE:** coherence and flow of language
- **VOCABULARY:** command of vocabulary and idiomatic expressions
- **SYNTAX:** handling of syntax and grammatical structures

SUBAREA V: WRITTEN EXPRESSION IN THE TARGET LANGUAGE

Objective 0015

Write a well-organized passage of moderate length (appropriate to the language) that is syntactically correct and appropriate in style and diction for a given audience, purpose, and occasion and that communicates a message effectively.

For this section of the test, you will write in the target language a response to an assignment presented in the target language. The assignment will contain a description of an imaginary situation and ask you to carry out a writing task that arises from the situation: for example, writing a letter to a friend narrating an experience described in the assignment. Your written response to the assignment in the target language will be evaluated on the basis of six major criteria:

- fullness of development of the topic;
- effectiveness of communication, including sociocultural appropriateness;
- coherence and flow of language;
- demonstrated command of vocabulary and idiomatic expressions;
- accuracy in handling of syntax and grammatical structures; and
- accuracy of spelling or character formation, diacritical marks, and punctuation.

An excellent response to the assignment will fully address the assigned topic and develop the topic by extensive elaboration of specific points. The message will be clearly and effectively communicated in a socioculturally appropriate manner. Ideas will be coherently presented and the flow of language will be smooth and varied and organized into well-constructed sentences. The vocabulary used will reflect a broad command of the target language, and appropriate idiomatic expressions will be used. The excellent response will exhibit control of grammar, avoiding errors in syntax that interrupt communication. The response will be accurate in spelling or character formation and in the use of diacritical marks and punctuation.

(You will read in the test booklet in English:)

11. **The following question is a written expression assignment in the target language. Write your response on pages 7–8 of the answer document. Your response must be written in the target language.**

(You will read in the test booklet in Swedish:)

Tänk dig att du planerar en klassresa för vilken dina elever måste ha tillåtelse hemifrån. Skriv ett brev till elevernas föräldrar, målsmän eller vårdnadshavare på svenska där du beskriver planen för resan och ber om deras samarbete för att den ska avlöpa smidigt. Du kanske vill inkludera (men är inte begränsad till) följande ämnen:

- vart eleverna ska resa och varför,
- vad de ska göra där,
- särskild hjälp från föräldrar, målsmän och vårdnadshavare, såsom att skriva lappar med deras tillåtelse eller packa matsäck åt eleverna, samt
- den förväntade nyttan som resan utgör för eleverna.

Performance Characteristics for the Written Expression in the Target Language Assignment

The following characteristics guide the scoring of responses to the written expression assignment.

DEVELOPMENT	fullness of development of the topic
COMMUNICATION	effectiveness of communication, including sociocultural appropriateness
COHERENCE	coherence and flow of language
VOCABULARY	command of vocabulary and idiomatic expressions
SYNTAX	handling of syntax and grammatical structures
MECHANICS	accuracy of spelling or character formation, diacritical marks, and punctuation

Scoring Scale for the Written Expression in the Target Language Assignment

Scores will be assigned to each response to the written expression assignment according to the following scoring scale.

Score Point	Score Point Description
4	The candidate fully addresses the assigned topic and develops the topic by extensive elaboration of specific points. A message is clearly and effectively communicated in a socioculturally appropriate manner. The candidate's ideas are coherently presented, and the flow of language is smooth and varied in well-constructed sentences. The vocabulary used reflects a broad command of the language and the use of appropriate idiomatic expressions. There is control of grammar with only minor syntax errors that do not interrupt communication. There is accuracy in spelling or character formation and accuracy in the use of diacritical marks and punctuation.
3	The candidate adequately addresses the assigned topic, with some elaboration of specific points. The message is generally clear, but command of sociocultural aspects of the language may be uncertain. The candidate exhibits some awkwardness in phrasing of ideas. The vocabulary used is appropriate but limited in expression and word choice. There is good command of simple linguistic constructions and grammar but uneven command of more complex constructions. The writer makes few errors in spelling or character formation and few errors in the use of diacritical marks and punctuation.
2	The candidate addresses the assigned topic in a very limited way, with minimal elaboration. The candidate fails to communicate a fully understandable message. The candidate's ideas are presented in a disconnected manner that makes comprehension difficult. The vocabulary is very simple, lacking some key words and expressions. The use of grammar and syntax is so elementary that either little information is conveyed or, though the information may be advanced, its grammatical presentation is seriously flawed. The candidate makes frequent errors in spelling or character formation and punctuation.
1	The candidate ineffectively addresses the assigned topic, without elaborating any points. The candidate makes only a few statements, which may be unconnected. There is an inadequate command of vocabulary to communicate a complete message. The errors made in the use of grammar, syntax, spelling, and punctuation are so frequent that communication is generally very difficult to understand.

ORAL EXPRESSION IN THE TARGET LANGUAGE

Sample Test Directions for the Oral Expression Assignments

DIRECTIONS FOR SECTIONS SIX AND SEVEN

ORAL EXPRESSION ASSIGNMENTS IN THE TARGET LANGUAGE AND IN ENGLISH

For Sections Six and Seven of this test, you will speak on tape in response to two assignments presented in your test booklet. You must respond to the first assignment in the target language and to the second assignment in English. You will be given ample time to read each assignment in your test booklet and consider your response, then you will have two minutes to record your response to each assignment. A list of suggestions is provided to help direct your response to each assignment. It is not necessary that you address every point in the list, nor are you limited in each response to the points mentioned. However, what you say must be relevant to the situations with which you are presented, and part of your score will be based on the degree to which you elaborate on the topics by addressing either the suggested points or points of your choosing.

You may NOT write in this test booklet. *You will be scored only on the responses that you provide on the tape after the announcer instructs you to begin speaking.*

Your responses will be evaluated on the basis of the following criteria:

- **DEVELOPMENT:** fullness of development of the topic
- **COHERENCE:** clarity and coherence of the message
- **FLUENCY:** fluency and ease of expression
- **VOCABULARY:** command of vocabulary and idiomatic expressions
- **SYNTAX:** handling of syntax and grammatical constructions
- **PRONUNCIATION:** pronunciation and intonation

Once the tape has begun, it cannot be stopped, nor can you re-record a response.

When you have finished reading these directions, please look up. You will receive further instructions from your test administrator.

Look up when you are ready to begin.

DO NOT GO ON UNTIL YOU ARE TOLD TO DO SO.

SUBAREA VII: ORAL EXPRESSION IN THE TARGET LANGUAGE

Objective 0017

In response to a prompt, construct connected oral discourse in the target language that communicates a message effectively and that demonstrates a command of vocabulary and syntax appropriate to an educational setting.

For this section of the test, you will speak on tape in the target language in response to an assignment that is presented in the target language in your test booklet and that contains a description of an imaginary situation that requires oral communication: for example, resolving a problem you encounter while traveling in an area where the target language is spoken. You will read the assignment in your test booklet and have one minute to consider your response, then you will have two minutes to speak. The oral response that you record on tape in the target language will be evaluated on the basis of six major criteria:

- fullness of development of the topic;
- clarity and coherence of the message;
- fluency and ease of expression;
- demonstrated command of vocabulary and idiomatic expressions;
- accuracy in handling of syntax and grammatical constructions; and
- accuracy of pronunciation and intonation.

An excellent response to the assignment will address the assigned topic and develop the topic by extensive elaboration of specific points. The response will be delivered in a consistently clear manner. The speaker will speak fluently, using a variety of sentences. The speaker will show mastery of a broad vocabulary, including appropriate use of idiomatic expressions. The speaker will handle simple and complex linguistic constructions, avoiding errors that interfere with communication. The speaker will exhibit good to excellent pronunciation and intonation.

(You will hear and read in the test booklet in English:)

12. **Read the instructions below. You will have 1 minute to study these instructions. Then, when you are told to do so, begin to respond in the target language. You may take up to 2 minutes to complete your response. You will be told when the 2 minutes are up. You may begin studying the instructions now. You will be told when to begin speaking.**

(You will read in the test booklet in Swedish:)

Tänk dig att idrottsläraren på mellanstadieskolan där du arbetar ber dig om hjälp att kommunicera med en av dina elevers familj på svenska. Din kollega har upptäckt att eleven är mycket duktig på en särskild idrott och vill bjuda in eleven att delta i ett idrottslag utanför skoltid. Under säsongen tränar laget i två timmar två dagar i veckan efter lektionstid och spelar flera matcher mot lag från andra skolor. Idrottsläraren hoppas att du kan få föräldrarnas tillåtelse till att deras barn kan vara med i laget.

Ring ett telefonsamtal på svenska där du:

- (1) presenterar dig själv och förklarar varför du ringer, samt
- (2) förklarar de potentiella fördelarna med deltagande i aktiviteten för barnet.

Säkerställ att du genomför båda uppgifterna ovan. Du kanske vill inkludera (men är inte begränsad till) följande ämnen:

- idrottslärarens bedömning av barnets talang,
- praktisk information om träning och matcher, samt
- de sociala och idrottsliga upplevelser som barnet troligen kommer att ha som lagmedlem.

Performance Characteristics for the Oral Expression Assignments

The following characteristics guide the scoring of responses to the oral expression assignments.
